Still no decision on a case were Supervisor involved with a carrier. EAS on admin since December 2020. They applied for mediation, but it was rejected. They also applied for mediation. Supervisor didn't tell the truth. IMP conducted and lack of Candor in the charge letter.

Supervisor reached out about annual leave. Postmaster blocked all the calendar.

John wrote new resolution for Tom Wong and Bridget Evans. Vontina wrote an resolution for Hayes Cherry. Vontina resolution will probably be vehicle to John resolution.

Stephnia Campbell

Working with supervisors who received a letter that one supervisors' position has been eliminated in their station. The HR manager is trying to place supervisors in positions before the RIF.

Sally Simpao

The last San Francisco zoom meeting Marilyn Walton said she will provide information on the elimination of jobs as she receives the information.

Vontina Swygert

I just got out of mediation with supervisor. Supervisor having problem with MDO. They didn't get paid for overtime. They only ask for two weeks split days and MDO didn't want to change back to days off. We settled for no agreement. EAS will file and EEO. I signed up 12 new members from the supervisor class. March 10, 2021 NAPS HQ contacted me to represent a Sales Rep. I don't know what's going to happen. I have been in contact with Chuck Mulidore and Chuck Lum to get the merger with Branch 210. Something going on in the Napa area. We are conducting our meetings by phone.

Mariel Murillo

Our branch held a zoom meeting March 18, 2021. Talk to Chuck Mulidore and branch 466 will be named Hayes Cherry. Still dealing with letters with Margarete Staley. She is telling the EAS that because no step A was conducted it went to step B. Jim McComb health isn't good so Fran Anderson is taking his place.

Marilyn Jones

LA has a new District Manager Eddie Morgan from the Oakland District. I did a quick meet and greet with all the branch members and the new District manager Eddie Morgan. Quite a few investigative interviews. We had one-member discipline go to the DDF because they got into altercation with an employee. Another lady still out and feels they should let her come back. She out for not wearing mask. New Plant manager coming to LA. I spoke to new supervisors at the class. Signed up thirteen EAS. Having concerns with UMPA they feel NAPS is getting more than UMPA. Had a quarterly meeting with DM and his direct reports. We have the same concerns about annual leave and them wanting to change our schedule.

April Trevino
